

Auto Trade Mission to Costa Rica

Start Date: 5/21/2018

End Date: 5/22/2018

Are you interested in exploring growing markets in Central America?

Be a part of the Auto Care Association trade mission to Costa Rica, May 21 – 22

and take advantage of this cost-effective business development opportunity to gain first-hand market information, save time and maximize your results!

Trade mission packages include:

- Personalized business-to-business matchmaking meetings
- Hotel accommodations
- Local transportation and meals
- Interpreters
- Market overview briefings

The trade mission is open to all companies in the industry, with qualifying companies eligible to receive a \$2,000 offset of the trade mission package cost.

Click here to register!

The trade mission to Costa Rica is part of the Market Development Cooperator Program (MDCP) award the association received from the U.S. Department of Commerce to support export promotion projects in Latin America.

Read testimonials from our past trade mission participants!
