

Webinar: Opportunities for US

Start Date: 2/13/2019 12:00 PM

End Date: 2/13/2019 1:00 PM

Education IT Opportunities Spotlight Series Webinar:

“Opportunities for U.S. Education Technologies in Mexico and Brazil”

Join us to explore the markets of Brazil and Mexico through the lens of education Technology. This webinar will focus on market trends and opportunities in Brazil and the burgeoning market of Mexico. Speakers from U.S. embassies in both countries, along with BETT, will discuss market entry strategies for U.S. education technology companies.

This program is ideal for companies interested in learning more about potential in either market or companies already selling into the markets and looking to increase sales.

Where: Your Computer

When: Wednesday February 13, 2019

Time: 12:00pm Eastern

Cost: \$25
